Dear Class 3 parents

We are delighted to have been invited by Public Health England to take part in creating a short video for them to use on social media. The purpose of the video is to encourage children to wash their hands more often to help stop the spread of germs and reduce the spread of infections such as Norovirus.

We will only be involving children for whom we have received consent for them to appear in the press or on our website i.e. where parents have consented to this on the Bicton School consent letter issued last year. The filming will take place in school on the morning of Monday 27th January 2020.

However, if you have previously given consent for your child to be in the press/on our school website and you do not wish your child to be involved, please return the slip below on Monday morning.

If you have any questions over the weekend, I am happy for you to email me on my school email address head@bicton.shropshire.sch.uk

Kind regards

Mrs Natalie Johnson
Head teacher
