1st June 2020

Dear Parents and Carers

I hope you all had a good half term and enjoyed the beautiful sunshine.

In our letter before half term, we set out what our plans for a partial re-opening for children in some year groups may look like and explained that we would provide more information following government advice and updates over half term. On Thursday evening, the government confirmed that their 5 tests have been met and, as a result, they are expecting schools to proceed with a wider re-opening.

After consultation with governors, staff and the Local Education Authority, we are now in a position to confirm our re-opening plans. These plans are based on the responses received to our online form. We cannot guarantee additional places being available. **If you did not respond and you require either a key worker place or a place for your Nursery, Reception, Year 1 or Year 6 child, you must get in contact with me by 5pm on Thursday 4th June.**

Week beginning Monday 1st June

School open daily for key worker children who have a pre-booked place.

Week beginning Monday 8th June

School open daily for key worker children who have a pre-booked place.

School open to Reception and Year 1 children who have a pre-booked place on Monday, Tuesday, Thursday and Friday.

Week beginning Monday 15th June

School open daily for key worker children who have a pre-booked place.

School open to Reception, Year 1 children and Year 6 children who have a pre-booked place on Monday, Tuesday, Thursday and Friday.

The opening date for Nursery will be confirmed in due course.

If you did not respond to the online form and we do not hear from you by 5pm on Thursday 4th June, we will assume that you do not require a place. There is no guarantee that your child can return to school at a later date as, once the groups are in place, we may be unable to admit more children to the group and we may not have staffing available to create new groups.
