Dear Parents and Guardians

Parent Governor Election - Bicton C E Primary School and Nursery

The following parent governor has been duly elected* by the parents of this school:-

Ms Jessica Greenwood

Yours sincerely

Mrs Natalie Johnson
Head teacher

**election can happen in one of two ways:*

- *If the same number or fewer nominations are received, the process will stop before a vote takes place and the person becomes a governor at that point;*
- *A vote takes place if there are more nominations received than there are parent governor vacancies.*

Please see below Ms Greenwood's personal statement for the position:

"I work at the Hospital in Cancer Services and have previously been an Officer for a National Organisation for 6 years. I am familiar with policies, procedure and standards and am passionate about education and helping people. My eldest is nearing his GCSE's and I have had two children attend Bicton Primary, one of which is still a student. I have experienced all ages and classes and would love the opportunity to use this to support Bicton Primary School, its students, staff and parents to serve them all and meet their needs both now and in the years to come."
