

**We need your old
bottle lids!**

Bottle lid collection

Bicton school need bottle lids which we will be reusing for an art piece.

Please bring in any spare lids you have. They can be any colour, any size, any material!

We just ask that you only bring in ones that would otherwise be thrown away or recycled!

Don't forget: Reduce, Reuse, Recycle

Collecting until 17th February.

Many thanks,
The Eco Committee
