

There is now a new way for parents and pupils to recycle second hand uniform.

- Drop your **badged** uniform** into School Shop Direct
- The uniform is then sorted and checked
- Uniform then goes to Hope House Charity Shop in Harlescott
- Second hand uniform will then be available to buy from Hope House

This offers everyone a local, eco-friendly and simple way of recycling outgrown school uniform, while benefitting a local children's charity, and offering a good supply of quality second hand uniform to parents.

**** uniform must be current, badged uniform and freshly laundered. We reserve the right to refuse unsuitable items.**
