What is Exploitation?

Are you concerned about changes in your child's behaviour? Have you noticed that they may be feeling under pressure from influences from outside your family home? Realising that your child could be being exploited can be distressing, but help and support is available.

Exploitation is a form of abuse, it occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child, young person or adult into any activity that results in an advantage for the perpetrator. Specific types of Exploitation include **Sexual Exploitation**, **Criminal Exploitation**, and **Financial Exploitation**.

Who does it affect?

Exploitation can happen to any young person from any background, in any part of the country - including Shropshire. The young person often isn't aware that they are a victim, as exploiters are very clever in the way they manipulate the young person into trusting them.

Between April 2020 - April 2021, Shropshire Children's Services received **361 referrals for young people believed to have been either exploited, targeted or vulnerable**. These numbers continue to rise.

What are the signs?

- New friendship groups, who may be older in age
- Engaging in sexual activity, including exchanging indecent photos
- Missing episodes, when you don't know their whereabouts
- Receiving gifts & rewards, including drugs, alcohol, food & clothing
- Increased secretiveness, particularly around phone use
- Disengagement from school, hobbies & family
- Use of drugs or alcohol, perhaps without the means to afford this
- A decline in mental health, possibly becoming more aggressive
- Possession of a weapon, and/or committing low level crimes

What can I do as a parent or carer?

- ☑ Discuss differences between healthy and unhealthy friendships and relationships
- ☑ Stay alert to any changes in behaviour which may indicate that they are feeling under pressure
- ☑ Carefully monitor any episodes of staying out late or not returning home
- ☑ Be aware of who they are spending time with and encourage them to keep in touch by texting you when they are out in the community
- ☑ Call the police to report your child missing if you do not know where they are
- ☑ Talk openly to your child about keeping safe and listen calmly if they confide in you
- ☑ Regularly check the young person's possessions for drugs and any unexplained money or gifts
- ☑ Install online safety features and apps
- ☑ Check in with parents of their friends
- ☑ Be cautious of any older friends or friendships where there appears to be a power imbalance
- ☑ Check in with school or college to see if they have noticed any changes in behaviour
- ☑ Share your concerns with school staff or Children's Services
- ☑ Take a look at our CE Directory to find out about other support available:

Report concerns about a child

Shropshire's TREES (Together Reducing & Ending Exploitation in Shropshire) Team are based within Children's Services. We are committed to identifying young people who are at risk of exploitation, and supporting professionals and families to reduce these risks. It is recognised that these risks are out in the community, rather than within the family home. This is what is known as **Contextual Safeguarding**.

We can offer social care support to families where appropriate, or we can signpost to another support service such as a substance misuse service, sexual abuse support service, Early Help or diversionary activities - with the aim of disrupting exploitation and reducing the risks going forward.
